SYKE

Is your legal spend *out of control?*

Are astronomical legal expenses and unpredictable costs causing concern?

Get control of your legal spending with our comprehensive suite of legal spend management solutions. We offer a strategic approach to efficiently and effectively manage your legal expenses:

ASSESS — **Get cost clarity and savings insights with our expert analysis**
We'll assess your current legal spending, analyze historical data, and deliver actionable insights for informed decision-making.

TRACK — **Elevate your legal spend management with cutting-edge technology**
We'll help you select the best tech tool to streamline invoice processing, monitor real-time legal expenses, and create customizable dashboards for insightful reporting.

MANAGE — **Establish a robust spend management policy that aligns with company objectives**
Our experts will help you create a policy that optimizes legal spend, minimizes risks, and fosters accountability.

GUIDE — **Craft clear and consistent billing guidelines tailored to your organization's needs**
Our team will develop guidelines that will help your legal service providers bill accurately and in compliance with your budgetary constraints.

MANAGE — **Regularly assess and benchmark your legal service providers' performance**
Our assessment activities and methodologies will help you measure their value, quality, and cost-effectiveness, ensuring you get the most out of your legal partnerships.

TENDER — **Select the right legal service providers through a competitive tender process**
We'll assist you from defining needs to evaluating proposals, helping you select partners aligned with your budget, legal requirements, and team culture.
